

Rhode Island learner permit · general-purpose practice record

Permit hold: 6 mo

Totals this sheet			
-------------------	--	--	--

I certify the practice hours recorded above reflect supervised driving completed under Rhode Island learner-permit rules.

Supervising adult: _____ Date: _____

Rhode Island supervised driving log · Provided by DMVDrivingLog.com

SKIP THE PAPERWORK

Stay on track for your license. Log every Rhode Island drive on your phone.

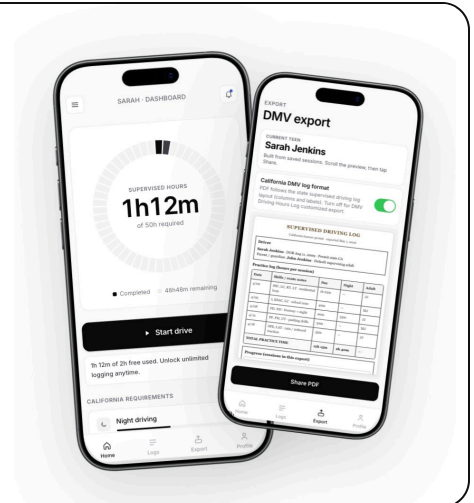

Start a drive and the app records the time, route, conditions, and supervisor for you. No more adding up hours by hand or losing the sheet before your test. Pick the date you want your license and it builds a weekly plan to hit Rhode Island's 50 hours on time.

Scan to get the free app

1. Open your phone's camera.
2. Scan the QR code.
3. Download on iPhone or Android.

A weekly plan you can stick to

See this week's hours against your goal and whether you're on track. Optional reminders nudge you to get your next drive in.

Built for Rhode Island

Rhode Island's 50 supervised hours are loaded for you, with progress tracked automatically.

Every hour counted

The timer keeps running when you switch to Maps or lock your phone, and night hours are detected automatically from local sunset.

DMV-ready export

Export a finished, itemized PDF of every drive, ready for your records or the DMV.
